Mrs. A. F. Brauer,  
61 West 105th Street,  
New York.

Dear Madam:-

Your letter is at hand. We should be very glad to have you bring the coins of which you write to our Museum where we will gladly endeavor to give you some idea of their value. Should your sister feel inclined to present the whole or part of the collection after having seen our exhibition, we shall consider it a commendation of our efforts to make the material we have interesting.

I would suggest that you make an appointment by telephone in advance. Kindly ask either for myself or for Mr. Wyman.

Very respectfully yours,

Secretary.
